MESSAGE FROM THE CHAIRMAN

Karunya Trust, the Social action wing of the Eparchy of Kalyan has always been a topic of pride and marvel. The services provided by Karunya Trust are numerous and praise worthy. It has shared the love of the Lord to so many numbers in and outside of Mumbai. The Eparchy as well as me personally acknowledge and appreciate a great many efforts taken by the Karunya Trust to reach out to the multitudes. The services given by the Karunya Trust during the COVID stricken times were beyond compare. It has gone off-limits to helping the poor and the down trodden of society. It has elevated the social, cultural, educational as well as economic background of those who are marginalized. It also went on to provide the basic needs of the people during the COVID situation especially providing monthly ration, educational as well as rental help, sanitization and medical help to those affected by COVID. I take this opportunity to express my personal gratitude to Rev. Fr. Joby, Rev. Fr. Sinto Pulikottil, Rev. Sisters, and all the members of the Karunya Trust for their hard work and sincere efforts. I assure all of you of my prayers so that the Merciful Lord may bless all your endeavours and initiatives. May you be able to spread the love and light of the Lord to those who meet and to wherever you go. May you be able to give the hope of life to those whom you serve.

May God bless you abundantly.

Yours in Christ,

MESSAGE FROM THE DIRECTOR

Pandemic has changed our life and every single sector of society. It has limited our ability to connect face to face with friends and families and realized how vulnerable are some of our friends and families. Pandemic has taught us to become more committed to supporting and helping one another. Pandemic brought an increased awareness of our vulnerability and mutual dependence. This alarming situation points out an overriding need for social connection. Thus we witnessed the increased sense of compassion and connection towards the other in the society. As every crisis has various opportunities; the social work department identified different opportunities to serve society in various ways. This year too marked with several interventions on different child rights issues, tribal rights, environmental concerns, health supports, livelihood options, shelter programs, destitute rescue, and relief programs. It gives immense pleasure to present this annual report and express my sincere appreciation and gratitude to our Chairman Bishop Mar Thomas Elavanal, All The Trustees, The Board of Advisors, Funding Partners, Government departments, volunteers, and all the Karunya Trust staff spend their hours to bring the best out of them for the success of our projects. Let us continue the good works

Yours in Christ,
Fr. Joby Kurian

MESSAGE FROM THE ASST. DIRECTOR'S

Being Human is one of the most beautiful feelings in our lives. We meet so many people in our daily lives, but we remember only a few. As the years go by, we may forget many from the above-said list. But still, someone will be so alive in our memories. Why! because he must be different from the usual people we meet in our daily lives. Being different is difficult. But I know, some people enjoy being different for a better cause.

Somewhere I happened to read "Be the heart that loves and lifts, be the hand that shares might. Feel the talk and talk the feel, be the mirror of sight beyond sight." In this busy world, where, even we don't find time for ourselves; it's difficult to find a heart that loves and lifts, a hand that shares the might, a person who sees beyond what is seen around and brings smiles to the face of the, "Marginalized, downtrodden and abandoned".

Many times, I could witness this "smile" followed by the joy shared; on the faces of the people connected to the KARUNYA family. I would say, this feeling is bliss. This is the strength of our KARUNYA Trust and its staff. It is their efforts and enthusiasm that makes KARUNYA reach out to more and more people, who await her presence.

On this journey, I am so sure, the Human face of KARUNYA will be its real strength and the strength of the people connected to it.

I am grateful towards the KARUNYA family, which is working tirelessly for the better cause of humanity.

Yours in Christ
Fr. Sinto Pulikkottil
Asst. Director

"The Lord knocks on the door with the face of brothers and sisters who live in poverty, abandonment and slavery, and you opened that door", Pope Francis said in an audience with volunteers and social workers (Sept. 26, 2019).

Pope Francis makes his intention clear by saying that we have to keep our hearts open, accompany and work with the people we come across, by being rooted in God's word and moments of reflection and fraternity, otherwise one becomes an aid agency or a business.

Giving is an important part of relating to others, a part of our daily living. We give people a smile, a hand shake, a kiss, an embrace, a gift, a word of love etc. in our daily life. When we give of ourselves, we reveal who we are, what we think and what we feel. This act of self-giving is an act of love, an act of choice. Our humanity comes to its fullest bloom in self-giving. Karunya Trust is a home with open doors where love abides. Karunya Trust, under the Social Action Department of the Diocese of Kalyan, has been a voice for the voiceless and a helping hand to the needy. For the past 23 years Karunya Trust has been working for the cause of the poor and the underprivileged making substantial and positive impacts in their lives.

With each passing year we are adding value to our work, impacting the lives of many, under the stewardship of the Board, under the guidance of the executive director, with the advice of many experts, with the focused approach of core team, with the dedication of many volunteers, with the support of countless caregivers, service providers and funders. Let us look forward to another exciting year full of opportunities to work for the humanity.

Yours in Jesus Christ

She has very good handwriting yet reading was challenging. Working with teachers: Her persuasive nature and the encouragement from teachers has helped her make progress

in a small way, to slowly overcome reading difficulties. She has been reading the language sounds and bara khadi papers. She now volunteers in the class for reading. Her confidence has improved. She has started reading English words, after the new English teacher has joined there is a greater motivation to attempt to do so. She has been counselled against fear of ridicule for trying.

Ritika Gharat(Name Changed) lives at Govandi .The family is associated with the savli project of Karunya Trust for four years. Ritika and her mother are HIV+ patients. Ritika's father is no more. The entire responsibility of the family is under the care of Ritika's mother. Ritika and her elder brother have a good attitude towards studies, so her mother Mrs. Anjali invests a major part of her earnings in their studies. The Savli Project of Karunya Trust supports the educational needs of these children. Ritika's mother is a skilled tailor, so she works as a tailor. Recognizing her skill as a tailor, she is given the IGP support. The pandemic Covid - 19 has spread fear and chaos in the lives of people all over the world. Therefore, life has become dangerous to all.

A lot of problems have cropped up in their family of Ritika as well. Tailoring of her mother had an adverse effect because of Covid – 19, therefore she had to meet difficulties in running her family. Karunya Trust has received the order to make face masks. This will be done at Gyasathi Center So Sanika's mother is also asked to stitch masks. She stitched 1400 masks. Karunya Trust paid her Rs. 5600 /- for the work. Perhaps, seeing the perfection of her work, she may still get more order. Whatever is income that she receives is utilized for running the family and for the education of her children. The family is happy. They Thank Karunya Trust for the timely help.

"In our village to avail any scheme and scholarship as a Scheduled Tribe in schools and colleges majority of us and our children don't have the caste certificates as our Thakur community people don't have the evidence of 1950 and because of that we couldn't receive the caste certificates".- Mrs. Devki Ghute, active women from Poi.

solve the issues of different villages collectively. After the conversation with the Sub-division officer regarding the issue, we had given the text book and a short note regarding Adivasi jivanman (Lifestyle). After a long follow-up we received the shifaras letter from the Sub-division officer. 78 caste certificates applications were submitted after people collected their applications by getting the signature of Talathi, Gramsevak, Sarpanch and Police Patil. After a long wait in lockdown finally, we received all 78 caste certificates from tehsil office which were distributed on 30th June 2021 at Women farmers Melava in Poi Wadi, we are happy now. – Mr. Posha Padir, Active leader from Poi hamlet.

SHG members should be self-dependent and well trained in the economic, social and political system is the aim of Karunya Trust. Tailoring training for women was provided to build up their self-sustainability. After the course, SHG women got engaged in stitching activities and they started earning a good income.

During this Pandemic, the business has completely stopped. Karunya Trust took initiative to motivate SHG women to stitch cotton clothes masks. 22 SHG members came forward as they stitched 6000 masks which were distributed to the Mumbai Police department. During the lockdown life was in chaos, we had difficulties in getting labour work as well as could not go to sell vegetables because the markets were shut down. This brought mental disturbances. But Karunya Trust gave hope for the betterment as we earned some income for the family through mask stitching" said Yogita Aghan. The SHG members were happy that they could do something for our police and secondly, they were able to earn something during the lockdown. CLA members thanked Karunya trust for the

help during this situation. This opportunity helps women to build self-confidence and message to other women that they can survive in any situation by using their skills.

JAN (JUBILEE ACTION NETWORK)

The phase of the sunset of life is the most trying time for those endowed with uncared health. It gets worse for those who are old frail and without any financial backup. In such circumstances, if their families forsake them, the nightmarish unimaginable suffering of the elderly is unbearable. With failing health, no food and shelter, these elders are sometimes left on the roads or on pavements eating morsels thrown at them, surviving the vagaries of the weather and traffic, becoming ill and sometimes injured and without any hope or respite of future.

In collaboration with Local Police and other likeminded people, the JAN volunteers from Karunya Trust Nodal units pick up the destitute from the streets and rehabilitate them to various care homes.

JAN team could rehabilitate 129 people in the past 4 years.

Great to see the joy of the reunion of Valentina and her daughter with her parents.

Valentina Ronny Braganza and her one-month-old daughter Samaira was brought to Immanuel Mercy Home Ashram on 6th October, 2017. She had a terrible past. She was staying with her boyfriend in Mumbai in a living relationship for 5 years. Her parents disowned her when she left them. The relationship with her boyfriend became worse when Valentina got pregnant. He started beating her up and treating her badly. He left her after she delivered a baby girl. She was on the streets with her daughter and Karunya Trust people came to her rescue and brought her and child to the Ashram.

We took care of both Valentina and her daughter Samira for the last 3 years and 4 months with great care. We took care of all their needs and gave them a new life. We also started talking to her parents, and slowly her parents forgave her. They started visiting her and their granddaughter. Finally the parents decided to take back home their daughter and granddaughter. On 15th February, 2021, Valentina's dad Ronny Felix Braganza came to Ashram and took his daughter and granddaughter back to his house.

We are so happy to see the reunion of a family. We at Immanuel Mercy Home Ashram family pray to God that Valentina and her daughter Samaira have a great life ahead. All glory and Honors go to our loving and merciful Father.

We appreciate and are thankful for your prayers and support. We look forward to your continued support and Prayers. God bless you all.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Maharashtra Public Trusts Act, 1950 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India :

- i) in the case of the Balance sheet, of the state of affairs of the Trust as at 31st March, 2021 and
- ii) in the case of the Income & Expenditure Account of the Deficit of the Trust for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

4. We have taken into account the provisions of the Act and matters which are required to be included in the audit report under the provisions of the Act and Rules made thereunder.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management's Responsibility for the Financial Statements

6. The Trustees of the Trust are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Trust in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. The Trustees are also responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibility

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion whether the Trust has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.

iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

iv. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

9. As required by Sub section (2) of Section 33 and Section 34 and Rule 19 of The Maharashtra Public Trusts Act, 1950 and Rules, 1951 we annex hereto our Report on the matters specified therein.

10. Further to our comments in the Report referred to in paragraph 9 above, we report that :

- we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- in our opinion proper books of account as required by law have been kept by the Trust so far as appears from our examination of those books;
- the Balance Sheet and the Income and Expenditure account dealt with by this Report are prepared as per the information and explanations given to us and as shown by the Statement of Receipts and Payments of the Trust and its various units which is in agreement with the books of accounts.
