Inauguration of Karunya Trust
By Dr. P.C Alexander, H'ble Governor of Maharashtra
on 5th September 1998

MESSAGE FROM THE CHAIRMAN

*"Things have a price and can be for sale, but People have a dignity that is Priceless and worth far more than things"...
Pope Francis*

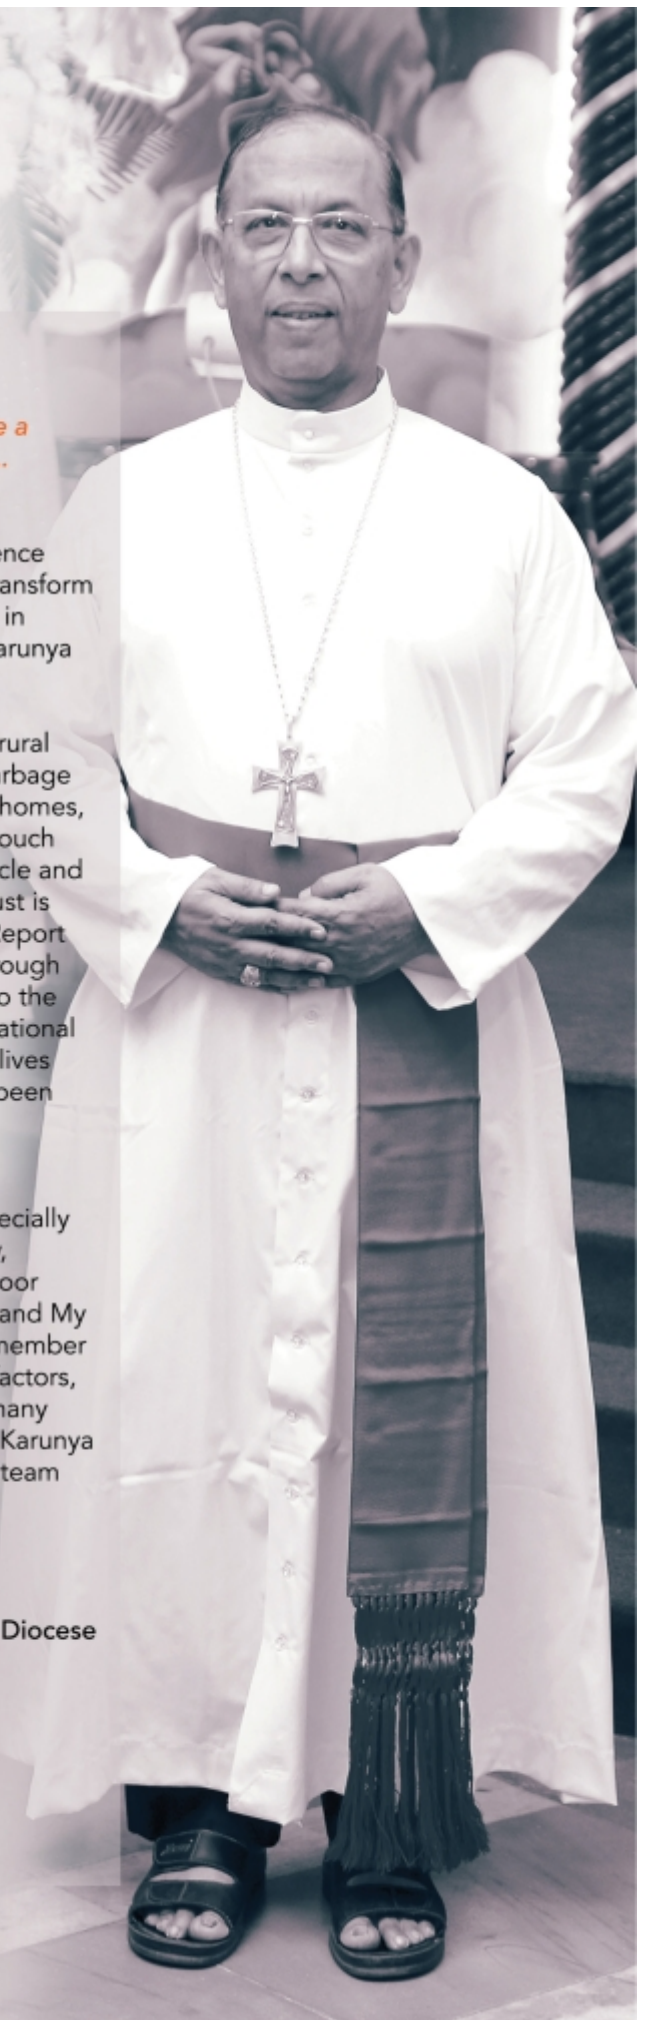

These beautiful words of Pope Francis have a truth and hence touch the core of the reader. When these words of truth transform into action, it's a sign of God's presence. I see these words in action in the work of Karunya Trust. The core Mission of Karunya Trust is to "Restore Human Dignity".

In this last one year, Karunya Trust has journeyed through rural and urban nooks, corners, villages, fields, farms, slums, garbage mounds, hospitals, disease infested areas, poverty driven homes, broken families, and in all that they touched, there is the touch of Christ, of compassion, of love and of service. It is a miracle and Grace of God to serve with love. The works of Karunya Trust is a fragrance of God's love for human dignity. This Annual Report is a small testimony to the impact of this last one year. Through different projects and programmes like giving education to the poor, providing safe shelter, healthcare, childcare and vocational training, it has fostered the quality of life of the poor. The lives of children, women and other community members have been transformed wherever Karunya Trust is serving.

It gives me great pleasure to applaud and appreciate the exceptional and marvelous activities of Karunya Trust. I specially congratulate the new initiatives taken in this Year of Mercy, Suvidya – supporting higher education for economically poor students, Bless a Home – supporting bed ridden patients and My Village – supporting rural tribal families. I do gratefully remember the support and assistance of the Priests, Religious, Benefactors, Volunteers and Well Wishers of Karunya Trust. There are many "hands enjoined at Work and at Prayer" in this journey of Karunya Trust. I attribute this success of humanity to Karunya Trust team tirelessly working for the greater glory of God.

May God bless you all in abundance.

Mar. Thomas Elavanal Bishop of Kalyan Diocese

A teenage boy approached Karunya Trust for educational support. While receiving the cheque in his hands and in tears, he asked me "father let me kiss your hands". I gently said "No, you kiss God's hands". My dear readers, those hands the boy asked are YOUR'S i.e. GOD'S hands. Throughout this report you will witness GOD'S hands.

Karunya Trust is blessed by its patron Saint, St. Mother Teresa at every step since inception in 1998. Mother Teresa received the Nobel Peace Prize in 1979. In her acceptance speech, she described her motivation, "I believe that we are not real social workers. We may be doing social work in the eyes of the people, but we are really contemplatives in the heart of the world. For we are touching the Body of Christ 24 hours. We have 24 hours in this presence..."

In its true spirit, Karunya Trust sees the presence of God in every person it touches. It says "nothing happens by chance, but by choice". 18 years of service to thousands of less privileged brothers and sisters testify that Karunya Trust is an intervention intended by God almighty. Everyone related to its efforts are chosen instruments in the hands of God to stand in solidarity with these brethren. Thank you very much to one and all.

Today Karunya Trust has spread its wings and support 25,235 direct beneficiaries and 1, 13, 557 indirect beneficiaries which include 3,675 children and 7,574 women and has become a SAFETY NET for them through its various social interventions.

Childhood is the most delicate phase of a human being. Many factors decide what we become, to which most of them are not directly responsible, family, social environment etc. It says "you can count the seed in an apple; you cannot count the apples in a seed". Every child is a seed with tremendous God given potential.

This potential in them can be unleashed if a conducive environment is provided. Child focused programs of Karunya Trust made maximum efforts to provide the same to every child it touched.

The 7th Secretary General of the UN, Kofi Annan, said "There is no tool for Development more effective than women empowerment". Women focused rural projects of Karunya Trust through Self Help Groups have created many social change agents from tribal villages of Ambernath and Kalyan Talukas. Shelter, Sanitation, Education, People Led Empowerment, Organ donation, Care for Destitute programs restored human dignity to thousands with self-esteem and self-confidence.

"Something beautiful for God" was the mantra of St. Mother Teresa. Yes, all that you experience in this report are "Something beautiful for God" through each one of YOU – beneficiaries and funding partners, volunteers, well wishers, stake holders, networking govt and non-govt partners, Team Karunya and Board members.

I extend my heartfelt gratitude to the pillars of Karunya Trust - Sr. Betty, Sr. Shaila and Mrs. Rose Joseph for their courage to think differently. Special thanks to my companions Rev. Fr. Jesto Menachery, Fr. Jomet Vazhayil and all Rev. Fathers and Sisters and lay friends; for their compassionate companionship in the Mission of Christ.

...may the ONE who began a good work among us bring it to completion...

In Christ Jesus

CHAPTER 1

GYANSAATHI

The Kinder Not Hilfe supported project of Karunya Trust started in 2011 has completed 5 years. During the year the project opened the doors for 325 children to main stream education. This year is historic for 32 children appearing for 10th exam under the National Institute of Open Schooling (NIOS) system. These are the first generation children who are appearing for the 10th Std. exams from their families.

"I had to drop out from school after my 8th standard as the financial condition of my family was bad. I lost my dad when I was small. I grew up with the support of my mom. I had lots of interest to study but was never getting an opportunity. I came to know about Gyansaathi from my friends. I came to Gyansaathi in March 2015. Teachers from Gyansaathi had assessed me and admitted me in std. 10th. Gyansaathi was an apt place for me. I was trained for 1 year at Gyansaathi. During this one year I got support from my mother, teachers and friends. I never got time to study in my house due to household work. So all studies I did was at Gyansaathi. I am very happy. I thank each and every one who made my dream possible."

Zeenat Shaikh, Gyansaathi student

GYANSAATHI

Gyansaathi caters to children of the rag picking community. They are provided with education, nutrition, life skill sessions, health care, and support on advocacy related issues. There are also various other activities conducted like sports, dance, art and craft, etc. This gives them an environment for learning & leading them towards holistic development.

▼ Gyansaathi I & II - Project for the protection and promotion of the basic and environmental rights of rag picking children in the dump yards of Govandi, Mumbai

"Here lies a world that we have just read in news paper or seen in movies. But the experience here makes us feel our world is so less. Met some angels working hard and dedicated on this earth, makes us feel there is so much we have to thank God for, makes us feel pity on ourselves of the trouble we crib about, makes us feel there is so much we can do and we don't do, make us happy that the smiles we see when they meet us. The joy that we feel in selfless giving is an experience and cannot be described."

"I am so happy because for the first time through Gyansaathi I have gone out of my area and been to corporates where I have earned through Mehendi designing."

Shehnaz Khan, Gyansaathi Student

CHAPTER 3

SAVLI

Community based care and support program for the children at high risk.

Every child is a precious gift of God. The environment they are born in is not their choice. Until they are able to make their own choice, it is the responsibility of each one of us to support them. Project Savli supports 100 children at high risk from BMC 'S' ward. Due to various environmental pressures the dropout rate of these children is very high. In order to tackle the situation and orient these children towards better goals in life Project Savli provides Educational, Supplementary Nutrition and Psycho-Social care on a monthly basis.

"I am part of the Savli Project and got 74% in my SSC. Thanks to the support from Karunya Trust. My dream is to become an IAS officer."

CHAPTER 4 GYANDEEP EDUCATIONAL SPONSORSHIP & SCHOLARSHIP PROGRAM

The program supports 200 economically weak children from first to 10th standard to continue their education. In the past eighteen years, Karunya Trust supported 7016 children under the program.

"I am grateful to Karunya Trust for supporting education of my four children, to pay their fees. My only option was to stop their education. My family was very sad and helpless. Today my children go to school because of Karunya Trust's support and my entire family is happy inspite of all our struggles in life. Thank you so much."

CHAPTER 5 JEEVAN -PLE (PEOPLE LED EMPOWERMENT)

Jeevan -PLE (People Led Empowerment) project was launched by Caritas India in November 2015, in 15 tribal hamlets of Kalyan Taluka. To strengthen this process in every hamlet, meetings are being held to motivate and unite people. People are made aware that they are the contributors of their own development.

The project envisages empowerment led by the communities for participation in local self-government systems for greater community mobilization. Karunya facilitates the communities for the initiative and involvement in decision-making and realization of their rights and entitlements.

At application of Pachavamail hamlet women, the PDS officers check & verify ration shop documents

Nalambi, Poi, Pachavamail, Takurpada hamlet women submit letter to Tehshildar requesting food grains according to government rules

"As we are illiterate and ignorant about our rights and entitlements. The PDS shopkeeper exploited our illiteracy by manipulating records and not releasing eligible quota of foodgrains to us", said Manjulapawar a Kathkari.

"When we learned from Karunya Trust, we decided to raise the issue in Gram Sabha. Then Kamba Grampanchayat conducted Gram Sabha on the 6th March 2016. Among the 193 people who participated were, 63 women and 130 men. It was a general Gram Sabha. Pachavamail Hamlet women participated actively in Gramsabha and presented the rationing issue.

"Villagers came in groups and pressurized the shopkeeper and also warned him to release food grains according to government rules, and in few days we started getting our quota of 35kg per month. We realized that we can get our rights only when we come together and demand for it" said Shakuntala.

CHAPTER 6

BHARARI

Thane Tribal Development Project is a Child Focused Community Development Program with a goal to bring socio-economic development among the exploited and neglected tribal communities in 16 villages, with 1020 families comprising 1600 children and 4996 total population, in Ambernath Taluka of Thane District.

SELF HELP EMPOWERMENT EMPOWERING MOTHER EARTH THROUGH AGRICULTURAL AND ENVIRONMENTAL PROGRAMS

SELF HELP APPROACH (SHA)

Setting clearly defined goals provide us with framework for smarter choices and keep us alert for opportunities. SHG is the main component for community development. If the women in SHG set goals for common and individual achievement, it will bring about tremendous progress in their lives. This was explained and demonstrated to all the Bharari project staff. Based on the demonstration we have facilitated goal setting with 12 SHGs. Through this goal setting, women have come with plans like finding solutions to deal with water crisis of village, and other agricultural activities like vegetable cultivation work, availing of Government schemes to set up business for economic development etc. To achieve these goals they have shown readiness to attend Gramsabha in order to present their views and opinions. Time to time scaling up is done to measure their progress of goals. It has made them focus their attention on the goals they have set and proceed ahead towards its fulfillment. This approach of intervention is known as Self Help Group Approach (SHA).

In SHA monitoring takes place at all levels. Most important is the monitoring by the SHG members themselves. They conduct self-assessments regularly. This is one of the core strengths of the SHA. We believe in the abilities and potentials of the SHG members to plan, observe, and analyse changes.

"Thank you so much for the wonderful work you do! I am deeply impressed by the field visit meeting the women and the children and hearing about challenges and achievements. Thank you especially for your generous hospitality. I do appreciate that a lot and I will be able to take home many good impressions about the country and about the projects and about all wonderful partners. May God Bless you and the children!"

SWACHH

Individual household sanitation units at Kalyan and Ambernath talukas

The objectives of the project are to bring about an overall improvement in the general quality of life in the rural areas, to eliminate open defecation to minimize risk of contamination of drinking water sources and food and to generate felt demand for sanitation facilities through awareness creation and health education. The project build sustainable toilets for 330 tribal families who currently have no means of acquiring sanitation facilities on their own.

"I am protected and do not have to worry...

When the animator from Karunya informed our village about the toilet project, I was very happy to give my name. When I told my husband about it he was not willing to construct the toilet in my home and our two daughters went on pursuing my husband to have toilet at home, finally he agreed. Today we have a toilet at home, we don't have to look for a safe time to go for nature call, neither have to worry about the distance, think about the huge grass on the way and fear of snake. It has saved our time, given us protection and good health. I and my daughters are grateful for Karunya's Swachh initiative."

VOLUNTEERING AT KARUNYA TRUST

"To Give is to Get" ...

Around 1000 volunteers have touched the lives of various project benefactors through their volunteering activities of teaching, sports coaching, choreographing, computer literacy, building & amp; painting houses, building toilets, tree plantation etc...

There are so many good things to talk about GS Team of Gyansaathi, the whole team including management is very supportive and helpful. They are always there for kids and they always have smile on their faces. Team is very sensitive and positive. I really appreciate and respect for WHAT and HOW they are doing. They are inspirations to me. The experience is very satisfying and enriching. GS has become part of my life and I hadn't thought when I first came here. I had came here with Shashank Shetty to just meet the kids and see if we can do something for them. The best thing is the love and respect which I get from the kids. When I had first been to GS, I thought I would GIVE some knowledge. But, I GOT more in return so it's profitable.

Finally organization like GS gives society a hope THINGS CAN BE CHANGED AND WILL CHANGE.

MUMBAI MARATHON 2016

TOGETHER WE CAN...

JOY OF SHARING

It was my first marathon and I was really happy that my company, Jesseena Marine Services, and I could support Karunya Trust by being part of the Marathon in contributing for Gyaansaathi. The experience was really great and what made it more memorable was that we could run with the kids of Gyaansaathi. The smile on their face and their happiness made us realise how important Gyaansaathi was to them and their eagerness to dream and succeed in life.

The energy and enthusiasm was really overwhelming and I thank Karunya Trust for inviting us to be a part in supporting this cause.

Ms. Jesseena Chacko Jesseena Marine Services

A FANTASTIC EXPERIENCE

It was a fantastic experience running for Karunya Trust this year. I have been doing so since the last three years now and every time I get the same feeling. I feel blessed that my contribution is helping an organization and many people associated with Karunya. Each step that I took in the Marathon reminded me that the step is helping underprivileged children either in their education or providing them with supplementary nutrition. D'Decor and I are proud to be associated with Karunya and would love to continue the association for years to come.
