DIOCESE OF KALYAN

Syro Malabar Diocese in Maharashtra

Dear Brothers and Sisters,

The memories of the devastating flood of 2018 that affected Kerala is still fresh in our minds. We have seen the pictures and heard the narrations about the difficult and unprecedented situations of the people who were adversely affected by this catastrophe. Many people in Kerala lost their lives, homes, properties and were in miserable situation. As a result, people of good will, out of their love and concern for the suffering brethren, came forward to alleviate the pains and sufferings of these affected people. This adverse situation, in a way, motivated the people to get united, irrespective of caste and creed and to extend their helping hand to the needy this gesture of love and solidarity was very much appreciated and esteemed by many people of India and abroad.

It is very appropriate that the social action department of our Diocese, through Karunya Trust took up the initiative to extend our magnanimous help to those most needy people. Under the banner of 'Karunya 2 Kerala' we could collect and mobilise our help in cash and kind and dispatch them to Kerala for the relief work.

All our donations were responsibly distributed and utilized in the most appropriate way the acknowledgment letters, the details of the beneficiaries and the audited report of the accounts are testimonies of the facts.

I would like to sincerely thank Rev. Fr. Joby Aythamattam the Director, Rev. Fr. Sinto Pulikkottil the Assistant Director of the Social Action Department of our Diocese all the Priests of our Diocese and all those who generously contributed to this noble cause and all those who in one way or another collaborated and supported to extend our help to the needy brethren. May the good Lord bless all of you for your good will and generosity and bless all of you for your good will and generosity and bless all those who were helped and supported by us in Jesus name.

Greetings from Karunya Trust

August 2018, incessant rains wreaked havoc for those living in Kerala. For Kerala, it was the worst flooding since nearly a century, hundreds of people lost their lives more than three lakh people being relocated and thousands of crores of properties damaged, crops destroyed, livestock lost, and health deteriorated. It was truly a desperate and perilous situation where one had to forgo all his hard earned asset and belongings to safeguard his life. All divisive factors in human relationships were transformed in to an encompassing oasis of love and care. At this moment of disaster diocese of Kalyan came forward to render all the possible support to flood victims. We collected and send 52 tonnes (approximate 52 lakhs) of relief materials to different villages of Kerala. Financial support of 1 lakhs each for 268 families through High Range Development Society Idukki 75 houses, Waynad Social Service Society 75 houses, Social Action Forum Iranjalakuda 36 houses, Archdiocesan Educational and Charitable Trust Kuttanadu 35 houses. Other relief and Rehabilitation activities through Caritas India and Spandan (Syro Malabar Social Development Network).

It gives me immense joy and satisfaction to write these words of appreciation and gratitude to all of you. I do sincerely thank Bishop Mar Thomas Elavanal who inspired the faithful to come forward to extend their support to flood victims. I appreciate and thank all the parish priests for taking the lead in collecting the relief materials and fund in a very short span of time. I thankfully remember all the parishioners, Religious Congregations, schools, volunteers and individual donors, who were in the forefront went out of their way to support the victims and Karunya Trust staff and all the volunteers worked day and night to coordinate flood relief materials. This is the blessing which has been made instruments in the hands of God to bring about this great work.

Rebuild 35 fully & 2 partially Damaged Houses to 37 Selected Victims of Kerala Flood 2018.

His Excellency Mar Thomas Elavanal,

Greetings from Diocese of Irinjalakuda !

Hope you are keeping good health in Christ. I know the recent heavy rain water had submerged Kalyan and adjoining areas causing considerable inconveniences.

I am happy to know that Karunya Trust, Diocese of Kalyan was kind enough to extend support with a sum of Rs 3600000/- (Rupees Thirty Six Lakhs only) to the most affected flood victims during the unprecedented flood in August 2018. We could support 37 selected families to rebuild 37 houses.

I am pleased to note that all the 37 houses have been rebuilt under the project implementation programs of Social Action Forum Irinjalakuda well within the time frame. (The list of families is attached separately). This achievement was possible only through the noble and humble generosity of yours at the right time of calamities.

We take this opportunity to place '**Karunya Trust**', **Diocese of Kalyan** on record the sincere gratitude of the entire diocesan community, particularly that of the 37 families of the most deserving victims of Flood 2018. I pray for all those who had contributed their bit for the sake of our flood victims. Thanking you.

With regards and prayers in Christ Jesus.

Dear Bishop Elavanal,

I thank you sincerely for your generous donation of Rs 47 lakhs for 51 families for their house construction. Due to some delay in my Diocesan Social Service Society, i.e., People's Service Society, Palakkad, for renewal of the 80 G Certificate, we could avail the money only in July 2019.

With the amount we have initiated works of 51 houses in the District, and the status of work progress and some photographs are attached herewith.

I do earnestly appreciate your immediate response for help for the flood affected people. Your Diocesan Social Service Society Director Fr. Joby Kurian with team visited the affected areas in Palakkad and took personal interest to send the amount and to collect the reports. My team here under the leadership of Fr. Jacob Mavunkal, the Director is very much interested to complete the project before 31st December 2019.

We owe you a deep debt of gratitude for your help and pray for abundant blessings for the diocese of Kalyan and the contributors.

Yours sincerely in our Lord,

Sub:- *Financial Assistance given by Kalyan Diocese to Build Houses for Victims Flood in Kuttanadu, Kerala.*

Your Excellency,

Greetings from Archeparchy of Changanacherry! Hope you are doing well.

With immense gratitude and great joy I inform you that the utilization of the financial assistance given to us for renovating the flood damaged houses in Kuttanadu region of Kerala State is well progressing.

We have given assistance at the rate of rupees one Lakh each to 35 beneficiaries either to newly construct or renovate the flood damaged residential houses. This assistance is in many a case supplementary to the assistance given by the State government to the very same beneficiaries at the rate of Rs 4 Lakhs each. Thus the dovetailing of these funds has helped them to build strong and pucca houses. About 80 percent of these beneficiaries have completed the construction works. The rest of the beneficiaries are expected to complete construction very soon. The completion report shall soon be send to you within a couple of months.

I take this opportunity to thank you and the generous benefactors of eparchy for rendering timely financial assistance to the most needy flood victims.

With warms regards and assuring of continued prayers,

Your Excellency,

Prayerful greetings from Mananthavady! As Your Excellency know well, the entire state of Kerala stood still for a couple of week during August 2018 badly caught up by the worst ever flood of the Century, the total loss erasing from the destruction and damages estimated around Rs.4000 billion. Region/District wise the extent of destruction and damages varies with Wayanad standing top particularly relating to agriculture and land properties. It is quite common everywhere that very poor with least capital resources are destined to live in environmentally hazardous, vulnerable and most backward areas and fall immediate victims of natural calamities. Precisely, this has happened in the case of Wayanad in the recent floods too.

As the leading voluntary organisation with long experience and real mass base, the Wayanad Social Service Society (WSSS) the official social service wing of our diocese has been in service from the very first day of the calamity keeping around the entire diocesan establishment and all other instruments of support with rescue, relief and rehabilitation operations in order to ameliorate the sufferings of the victims.

The endeavor of Wayanad Social Service Society to execute flood relief program with the financial assistance of Karunya Trust, the official social service organisation Your Excellency's diocese to the flood affected people is really a godly solace for them. Karunya Trust provided us with Rs. 75 Lakhs to WSSS for renovating 75 fully damaged houses and we are happy to inform you that we could successfully implement the same. We extend our gratitude to all who assisted in our endeavor to execute this mission especially Your Excellency and the Karunya Trust. We really acknowledge and remember Your Excellency and the team members of Karunya Trust for your timely involvement and assistance in extending support to the affected. Once again we gratefully acknowledge the kindness and generosity along with the support provided by Your Excellency in the hour of Flood disaster 2018.

May the good God bless Your Excellency and entire Diocese of Kalyan in abundance.

With fraternal regards,

Yours sincerely in the Lord,

Jose Porunnedom
